**FAMILY GUIDE**

## Matchday

Cappielow does not have a designated family section within the stadium, but it is suggested to use sections A & B of the Allan McGraw Main Stand when attending a match. Seating in this stand is unallocated.

During the build-up to kick-off, you will often see Cappie the Cat around the concourses of the stadium and trackside interacting with supporters and the players. Keep a look out on matchday to grab a photo!

## Cappie's Corner

Cappie's Corner situated in the main stand here at Cappielow is a quiet space for families to attend matches. This space has been developed in partnership with families to provide a positive safe environment for all in attendance.

The space includes sensory equipment and a calming environment for families to enjoy the game and cheer Morton on to victory. Fans in attendance can also bring their own sensory aids that will make their experience feel more like home.

Cappie's Corner is for fans who would benefit from a more relaxed, calming environment to watch the game with their family.

For Saturday home games, the space will be used for fans aged 5 – 16 years\* and for evening games this space is available for fans aged 16+.

\*space provided for a maximum of a family of 4, which includes 2 adults and 2 children and must be from the same family.

\*\*Please note spaces are limited and this will be on a booking basis only.
