## Where to Go?

Want the real Cappielow experience? It's the Cowshed for you. Nothing but 100% support is accepted in here for the 90 minutes. The Cowshed is a covered terracing and has free access to Sinclair Street, an uncovered terrace bank behind the goal. Morton traditionally attack this goal in the second half, so get around early and secure a good view.

Our Main Stand is named after Allan McGraw, a club legend who served both as a player and manager. Through the 1950s and 1960s, McGraw scored 117 goals for Greenock Morton in 136 games before his transfer to Hibernian in 1966. McGraw returned as manager for 12 years between 1985 and 1996, key in the development of homegrown talents like Derek McInnes and Allan Mahood. He was inducted into the Scottish Football Hall of Fame in 2017.

Depending on the match category, away supporters are housed in the Main Stand or Wee Dublin End (uncovered). This information will be communicated by the club ahead of each matchday.
